WORTHY OF PRAISE – VOLUME I

FLORIDA KEYLIME CAKE from **We Take the Cake Bakery** in Ft. Lauderdale:

Okay, so I have to admit, I did see this on Oprah in the fall of 2004. One mention of this cake from Ms. Winfrey put this little Florida bakery on back order status for months. Finally, four months later, we were able to have one shipped to us, and it was well worth the wait. The **Florida Keylime Cake** is incredible. The secret is that they pour the keylime juice over the cake while it is cooling. I've been ordering them every chance I get. They ship quickly from Ft. Lauderdale (barring no hurricanes) and arrive fresh at your home. There are three other cakes that can be shipped as well, try a variety and let us know what you think.

GOOD COMPANY COFFEE from **Pampered Chef®**

My wife, Stephanie, and I are always in search of a great cup of coffee. Sure, we support our local Starbucks, and we desperately miss the Greenbriar Dunkin' Donuts for their brew. But *what to drink at home* has always been the big dilemma. Not anymore! Ladies and Gentlemen grab your Pampered Chef® catalog, because it ain't just for kitchen gadgets anymore. **Good Company Coffee**, harmoniously combines vanilla, hazelnut and cinnamon into one of the most satisfying blends we've ever had. It's like Christmas every morning in our house. Even the DECAF is fantastic!

(Okay, so it's not always going to be **three** items on the list each month! But trust me, these two can stand alone! Now go have dessert!)
