WORTHY OF PRAISE – VOLUME VIII

Three Reasons to love Ripple Bagel & Deli...

Having graduated from Miami University, home of the original Bagel & Deli, I had developed a craving for this classic Uptown-Oxford establishment for years after moving back to Indy. So, needless to say, I almost veered off the road and hit three parked cars the day I drove through Broadripple and saw the sign going up that read "Coming Soon: Ripple Bagel & Deli". Two and a half years later, this mom & pop shop has gracefully established itself as a Broadripple mainstay. And here's how:

"Big deal, a new bagel shop". Clearly the words uttered from someone who has never tried a steamed bagel sandwich. That's the magic of the entire restaurant! Choose from any one of the 60+ innovative sandwiches. They load up your ingredients and steam cook them before your eyes. The result: a piping hot, made-to-order, gooey delight of a sandwich.

Check out some of our favorite menu items (**Warning:** Do not read on empty stomach):

- **Kool Jules Bagel:** Turkey, provolone, veggie cream cheese, sprouts and mustard on a Bialy.
- **Wild Honey Pie Bagel:** Peanut butter, honey, banana slices and a sprinkling o'cinnamon & sugar on blueberry bagel.
- **Deer Creek Bagel:** Cream cheese, smoked cheddar, avocado, lettuce, tomato, sprouts and mustard on a bialy.
- **Franks Bagel:** Roast beef, garlic herb cream cheese, swiss, onion and mustard on sourdough rye bagel.

Whether it's your first visit or you're a regular, when you walk in to Ken & Susan Richman's shop, you're greeted like you are one of the family. After selling a previous business, the couple decided to bring the Bagel & Deli concept to Indy. The rapport they have with their patrons is a big part of their success, and the atmosphere they've created in their little shop, is the stuff Broadripple was built on.
