## SHAPING UP YOUR HOME FOR SPRING

### *On the Floor....*

Here's the scenario. Steph walks into the family room and finds Henry, age 5, sprawled out on the floor busily working away at an art project that encompasses: markers, a sheet of paper, and about five or six square feet of the carpet. Immediate panic ensues (and it takes a lot to make my wife panic) because she knows I'm going to blow a gasket. Emergency phone call to a girlfriend brings about the recommendation of **TECH™ Stain Remover** as the magic remedy to remove the stain. Within an hour, the product is applied to the stain. *Magic* indeed. It passed the ultimate test that evening when I arrived home, and once informed of the news of the day, could not locate the area where the crime had occurred! We still had to beat the boy, but that was more for us than for him. (Disclaimer\* No we don't actually beat Henry) **TECH™ Stain Remover** available at ACE Hardware.

### *On the Wall....*

*Question:* How do you keep walls and doorways clean with a seven and five year old in the house?

*Answers:*

- A. Threaten children or bribe them with candy into not touching anything
- B. Turn children over to the state to be raised
- C. Permanently fit all children with white gloves
- D. Use **MR. CLEAN Magic Eraser**

While ALL may be appropriate answers, the answer, of course, is "D". We have been able to avoid repainting entire rooms due to the amazing powers of **MR. CLEAN Magic Eraser**. **MR. CLEAN Magic Eraser** available at Lowe's or Marsh Supermarket.

### *On the windows....*

My friend Linda swears by this one and says she has friends that order it by the case – like a fine wine or a good cigar! The product is **SPRAYWAY® Glass Cleaner**. I've tried it and now become a convert. Glass cleaning euphoria. It's as simple as that. I was recently detailing the interior of one of our cars and was able to, not only use **SPRAYWAY®** as a glass and window cleaner, but multi-surface/multi-purpose cleaner as well.

Everything came out looking so clean, shiny and streak-free.

**SPRAYWAY® Glass Cleaner** available at Sam's Club.
